Dear Mr. Jones:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

Regarding the transfer from Republican Party of Wyoming, this refers to the offsetting value of computer equipment that the Republican National Committee sent to the state party as an inkind transfer. A transfer letter for this activity was sent to the state party on May 4, 2009.

The RNC believes our information is reported correctly and as such we find no purpose to amend our report.

I trust this response will meet your requirements, however please feel free to contact me if you have any remaining questions.

Sincerely,

Pat Huyck
Director of Accounting
